

Los Alamos National Laboratory

is an exciting place to serve as a postdoctoral appointee. Working with some of the best minds in the world, you will play a vital role in strengthening national scientific and technical capabilities.

POSTDOC APPOINTEES:

- Perform research in a robust scientific R&D environment
- Enhance the Lab's workforce and scientific programs
- Present and publish research
- Advance knowledge in basic and applied science

After finishing your postdoc, you may have the option to continue your career as a Lab employee.
